First Term English Test

Read the text and do the following activities

Dear Karim,

I saw your name on the Internet so I decided to write to you and exchange information about each other.

My name is Peter. I am 17 years old. I am a secondary school pupil. I live with my family. We are a British family and we live in the central part of Manchester. I have two sisters and a brother and I am the eldest. My father is an engineer while my mother is a teacher.

During the week, I am very busy with my studies, so I always prepare my school work and do my exercises. I rarely go out. But on weekends, I sometimes join friends to play some sports.

I am waiting to receive your reply soon.

Yours faithfully,
Peter
