

First Term Test of English**Text :**

Hello friends from all over the world! My name is Ihab Barakat. I am 15 years old. I am from Palestine and I live in Gaza city. Today, I want to tell you about myself.

I am fond of learning English. I really enjoy reading English short stories in my free time. I am also interested in history. I always watch documentaries about wars and worldwide conflicts such as our war against the Zionists.

My friends say that I am brave, loyal and curious. I think one of my biggest strengths is my good heart. I really want peace to all humanity and I wish you would pray for us that our land will be free soon.
