

Welcome to New York City!

New York City is the largest and the most populous city in the USA and the fourth largest in the world. It has a population of nearly 8 million inhabitants distributed over a land area of 305 square miles. It consists of five boroughs the Bronx, Brooklyn, Manhattan, Queens and Staten Island. New York City is one of the World's most important centres of business and culture. It is also the home of the United Nations. Several sources have ranked New York as the most visited and photographed city in the world with approximately 55 million visitors a year. Here are some of the most exciting places which you can visit there: The Metropolitan Museum, Greenwich Village, the Statue of Liberty and Washington Square. This last is a famous meeting place where people can talk and listen to street concerts.

New York City is absolutely the best city to visit and have wonderful, living memories in.
