Hi friends,

I am so happy to give you some information about my country, the United States of America. My country is big and wonderful. We have great monuments: The Statue of Liberty in New York in the North East and Lincoln Memorial in Washington in the East. People from the entire world come to see the Golden Gate Bridge in San Francisco in the West. My national currency is the Dollar. The Independence Day is on the 4th July. My favourite national dish is Bull Roast and Chicken Pot Pie. Please find attached pictures of some great monuments in USA.
